The Grantee will not be required to provide any Amenities and Services unless they specifically agree to do so in writing and the Grantee will not have any duty, obligation, or liability whatsoever in connection with the provision of the Amenities and Services or the failure to provide or discontinuance of any Amenities and Services.

ARTICLE 3 - THE RENT CHARGE

3.01 **Grant of Rent Charge.** The Grantor, on behalf of itself and all Persons deriving title to the Lands or any portion thereof, it being the intention and agreement of the Grantor that the provisions hereof be

annexed to and run with and be a charge upon the Lands, and each and every portion thereof, hereby conveys and grants to the Grantee in fee simple and charges the Lands with payment of the Rent Charge, including the annual Rent Charge in the amount specified in section 3.02, during the Term. The Rent Charge will commence and be payable in accordance with the terms of this Agreement from and after the date of the granting of this Rent Charge and will continue throughout the Term. The Rent Charge will be a charge upon and will issue and be payable out of the Lands, and each and every Lot created by any subdivision of the Lands or any portion thereof. Notwithstanding the sale, transfer or other disposition of the Lands or any portion thereof, the Rent Charge will survive and the purchaser, transferee or other person acquiring title to the Lands or such portion thereof will be subject to the Rent Charge and this Agreement.

3.02 Calculation of Rent Charge. The Grantee will, in its sole discretion, establish from time to time the amount of the annual Rent Charge which will be payable by the Grantor and others in connection with the Grantee's provision of the Amenities and Services. The Rent Charge payable as of the date of this Agreement is set out in Schedule A. The Grantee may revise the Rent Charge, the method of calculation of the Rent Charge and the intervals for the payment of the Rent Charge at any time, upon written notice to the Grantor.

3.03 Assurances re: Rent Charge. The Grantee covenants and agrees that:

- (a) all Rent Charge amounts collected by the Grantee will be applied by the Grantee toward the payment of Expenses and for no other purpose whatsoever;
- (b) the Grantee will not incur Expenses except in accordance with the then current plan and budget, as described in sections 3.05(a) and 3.05(b);
- (c) the Rent Charge amounts will be fair and reasonable, based on the Amenities and Services provided by or on behalf of the Grantee; and
- (d) the annual Rent Charge amounts in respect of the Lands or any portion thereof for any calendar year will not exceed 0.3% of the fair market value of the Lands or any portion thereof, as applicable, including the value of all improvements thereon.

If at any time the Grantor takes the position that the annual Rent Charge amounts for any calendar year exceed 0.3% of the fair market value of the Lands or portion thereof, then:

- (e) the Grantor will deliver to the Grantee a written notice setting out the Grantor's position as to the fair market value of the Lands or portion thereof, together with a written appraisal of the Lands or portion thereof prepared and signed by an appraiser duly qualified and licenced under the laws of British Columbia; and
- (f) for the purposes of section (d), the fair market value of the Lands or portion thereof for the calendar year in which the Grantor's notice was given will be deemed to be the amount set out in the Grantor's notice unless within 60 days after receipt of such notice the Grantee delivers to the Grantor a written notice setting out the Grantee's position of the fair market value of the Lands or portion thereof prepared and signed by an appraiser duly qualified and licenced under the laws of British Columbia, in which case the fair market value of the Lands or any portion thereof for such calendar year will be deemed to be the average of amounts set out in the Grantor's notice and the Grantee's notice,

and after such determination of the fair market value the annual Rent Charge for such calendar year will be reduced by the amount, if any, that it exceeds 0.3% of the fair market value of the Lands or portion thereof.

3.04 GST and Other Taxes. The Grantor will pay all goods and services tax and other taxes payable on the Rent Charge and any other Indebtedness. If required by the Grantee at any time, the Grantor will pay such taxes to the Grantee, in which case the Grantee will be responsible for remitting the taxes collected to the taxing authority.

3.05 Annual Estimates and Reconciliations. The Grantee will estimate the Expenses and the annual Rent Charge for each Lot for each calendar year based on:

- (a) its operating plan for the provision of Amenities and Services; and
- (b) its budgeted Expenses for the provision of Amenities and Services,

and will provide the Grantor with written notice thereof on or before March 15 in each calendar year. Within a reasonable time after the end of each calendar year the Grantee will provide to the Grantor a statement of the actual Expenses for such calendar year, together with a statement as to the actual annual Rent Charge payable for each Lot for such calendar year in accordance with this Agreement, based on the actual Expenses. If such statement shows that the Grantor owes any amount to the Grantee in respect of the annual Rent Charge for such calendar year, the Grantor will pay such amount to the Grantee within 30 days of receipt of such statement. If such statement shows that the Grantee owes any amount to the Grantor in respect of the annual Rent Charge for such calendar year, the Grantee will either pay such amount to the Grantor with such statement or apply such amount as a credit to future annual Rent Charge payments payable by the Grantor, as determined by the Grantee.

3.06 Payment of Monthly Instalments. The Grantor covenants to pay the annual Rent Charge to the Grantee, without set off or deduction, by twelve monthly instalments payable on the first day of each month of each calendar year. Each instalment will be 1/12 of the Rent Charge for that calendar year, as estimated by the Grantee in accordance with section 3.05, subject to the annual adjustment once the Expenses for that calendar year have been determined, as specified in section 3.05. The Grantor will pay the Rent Charge to the Grantee at the address shown above or such other address as the Grantee may advise the Grantor in writing.

3.07 Late Charges and Interest. If a Grantor defaults in the payment of any monthly instalment of the Rent Charge or any portion thereof, then the Grantor will pay to the Grantee any late charge amount determined by the Grantee, in its sole discretion and, in addition, the amount in default will bear interest payable to the Grantee at the Stipulated Rate, compounded monthly and payable daily, and the repayment of such interest will be secured hereby, and the interest will be a charge upon the defaulting Grantor's Lot in the same manner as the Rent Charge. The Grantee will have the same remedies for recovery of such interest if unpaid after demand, as for the Rent Charge. This stipulation for interest will not prejudice or effect any other remedy of the Grantee under Agreement.

3.08 Grantee's Certificates. Upon request of the Grantor or the purchaser or mortgagee of the Lands or any Lot, the Grantee will issue a certificate to such Person within 10 days of such request, certifying:

- (a) the then current annual Rent Charge per Lot; and
- (b) the Indebtedness, if any, of the Grantor at the time of such certificate.

The certificate will be conclusive evidence of any matter certified in it. The Grantee or its agent may charge the Person who requests a certificate under this section a reasonable processing fee for such certificate, which fee will initially be \$25 per certificate and which may be increased from time to time by the Grantee, acting reasonably.

3.09 **Rent Charge to Accrue Day to Day.** The Rent Charge will accrue from day to day.

ARTICLE 4 – TERM

4.01 **Initial Term and Renewal Terms.** Subject to section 4.02, the initial Term of the Rent Charge and this Agreement will be the period commencing on the day this Agreement is registered in the Land Title Office and ending 40 years thereafter, and the Term of the Rent Charge and this Agreement will be automatically extended for an unlimited number of consecutive periods of 10 years each thereafter, unless at the end of any extension the Grantee elects not to extend the Rent Charge and this Agreement further, by written notice to the Grantor of such election or public notice of such election.

4.02 **Discontinuance by Grantee.** The Grantee may elect at any time in its sole and unfettered discretion to discontinue providing the Amenities and Services by giving public notice to such effect. In such event, the Rent Charge will cease and this Agreement will terminate and be at an end as of the effective date set out in such notice and the Grantee will, upon written request by any Owner, execute and deliver to the Owner a discharge of this Agreement in registrable form.

ARTICLE 5 – ENFORCEMENT

5.01 **Power of Entry and Distraint.** If the Grantor defaults in payment of any instalment of the Rent Charge or any other amount payable under this Agreement in respect of any Lot for the period of 60 days after the due date, then at any time after that date and without further notice, the Grantee may enter upon such Lot and may distraint upon any property, including, without limitation, the Lot and any improvements thereon, for the amount in arrears and may exercise all powers of distress, including the power to sell such property to satisfy the amount owing.

5.02 **Power of Sale.** If the Grantor defaults in payment of any instalment of the Rent Charge or other amount payable under this Agreement in respect of any Lot for the period of 180 days after the due date, then the Grantee may, at any time thereafter, sell and absolutely dispose of such Lot, either by public auction or private contract, on such terms and conditions as the Grantee determines; and the Grantee may enter into, complete, rescind or vary any contract or sale or resale without being responsible for any loss occasioned thereby, and may convey and assure the Lot to the purchaser in fee simple and the Grantor hereby constitutes the Grantee, its successors and assigns, the attorney or attorneys irrevocable by death or otherwise, of the Grantor, its heirs, executors, administrators, successors or assigns, to make such conveyance or conveyances provided that:

- (a) such power of sale must not be exercised until after one month's notice in writing has been given to the Grantor, either by delivery to the Grantor, or by delivery to an adult Person resident or in occupation of the Lot, or if the Lot is vacant by substituted service in the manner allowed under the Supreme Court Rules of the Province of British Columbia or any enactment in replacement thereof; and
- (b) the Grantor does not, before the Grantee completes any contract for the sale of the Lot, pay the amount in default, with interest thereon, together with all expenses incurred by

the Grantee in connection with any such notice and proceedings of sale or otherwise in relation to the Lot, including legal costs on a solicitor and own client basis.

5.03 Survival of Rent Charge. Despite any transfer or other disposition in fee simple of any Lot, whether under section 5.02 or otherwise, in respect of which the Rent Charge or any amount payable under this Agreement is in default, the Rent Charge will survive and the purchaser in fee simple will be subject to the terms of this Agreement. The transfer or other disposition in fee simple of a Lot under section 5.02 or otherwise will, as regards to the purchaser, be deemed to be valid despite any impropriety or irregularity with respect to the sale of the Lot to the purchaser and the remedy, if any, of the Grantee in respect of any impropriety or irregularity of any sale will be in damages only, and the purchaser on any sale will not be required to see the application of the proceeds of the sale or be accountable for any loss, misappropriation or misapplication thereof.

5.04 Application of Proceeds of Sale. The money realized by reason of any sale described in section 5.02 or otherwise will be applied by the Grantee:

- (a) first, in payment of the expenses incurred by the Grantee in connection with the enforcement of the Rent Charge, the proceedings of sale, the sale or otherwise in relation to the Lot, including realtor's fees and legal costs on a solicitor and own client basis;
- (b) second, in satisfaction of the Rent Charge with interest thereon and other amounts then owing and secured by this Agreement;
- (c) third, to discharge any mortgages or liens registered against title not assumed by the purchaser; and
- (d) fourth, the balance, if any, to the Grantor or as the Grantor directs.

5.05 Other Remedies. In addition to the above provisions for enforcement of the Rent Charge and other amounts due under this Agreement, the Grantee, at its option, may bring or take legal action for payment or to compel a mortgage or for foreclosure in a court of competent jurisdiction or may exercise any and all other remedies of a rent charge holder at law or in equity. All of the remedies of the Grantee will be cumulative and will be in addition to every other remedy available to the Grantee and all such remedies and powers of the Grantee may be exercised concurrently from time to time. If the Grantee exercises or attempts to exercise any of its remedies, the Grantor will pay all of the costs incurred by the Grantee in so doing, including the Grantee's legal costs on a solicitor and own client basis.

5.06 Lot by Lot Basis. Notwithstanding the foregoing provisions for enforcement of the Rent Charge and other amounts due under this Agreement, the Grantee agrees that once the Lands are subdivided as contemplated by the definition of "Lot", the Grantee will only exercise its rights and remedies in case of default against the Owner who is in default and against such Owner's Lot, but not against any other Owner or Lot.

5.07 Exclusion or Exemption by Grantee. The Grantee will have the right to exclude or exempt any Lot, including any Lot owned by the Grantee, from the Rent Charge for such period as the Grantee may determine or discharge this Agreement from any Lot where in the opinion of the Grantee the circumstances warrant such exclusion, exemption, or discharge. The Grantee will also have the right to limit the amount of the Rent Charge applicable to any Lot, including any Lot owned by the Grantee, for such period and on such terms as the Grantee may determine where in the opinion of the Grantee the circumstances warrant such limit.

ARTICLE 6 -AMENDMENTS AND SUBDIVISION

6.01 **Grantee's Amendments.** The Grantee may propose amendments to this Agreement which in its opinion are necessary because of changes in the law or to implement and carry out the true intent and meaning of this Agreement. The Grantee will give notice of any such proposed amendment (the "**Amendment**") to each Owner in accordance with section 7.01. An Owner may object to the Amendment by providing written notice of such objection to the Grantee within 10 days of receipt or deemed receipt from the Grantee of the notice of the Amendment. All Owners will be bound by the Amendment if the Owners who have objected to the Amendment by way of notice as herein provided represent in the aggregate less than a majority of all Owners. An Amendment will not become effective and binding on the Owners if a majority of the Owners by notice as herein provided object thereto. Where a Lot is owned by more than one Person, then for the purpose of this section all such Persons will comprise the Owner and will have a single vote.

6.02 **Amendments to Other Rent Charges.** Notwithstanding section 6.01, this Agreement will not be amended in the manner set out herein unless every other Rent Charge Agreement in effect is also amended in similar manner.

6.03 **Subdivision.** If the Lands are subdivided, either wholly or in part, at any time, either under the provisions of the *Land Title Act* (British Columbia) or the *Strata Property Act* (British Columbia), as amended from time to time, or other similar legislation enacted from time to time, on the deposit of a plan of subdivision, strata plan or similar plan, as the case may be, this Agreement and the Rent Charge will run with and continue to be a charge upon each of the new parcels, lots, strata lots or other subdivided parcels shown on such plan and the remainder, if any, of the Lands subdivided, and will be read and construed *mutatis mutandis*. No consent of the Grantor or the owner or owners of the Lands to any such subdivision will be required but, nevertheless, without restricting the generality of the foregoing, the Grantor and the Grantee covenant and agree each with the other that each will execute and deliver in registrable form any and all documents and plans, and that will do all things, reasonably necessary in order to give effect to section.
